Overview:

What is affectionately, and proudly, referred to as the “Italian Gelato” field is in actual fact a well-organised, extraordinary and comprehensive whole of production activities, unrivalled across the globe. A splendid example of the

best “Made in Italy”.

ACOMAG, the National Association of Gelato Machines, Shop Fittings and Equipment Manufacturers, brings together and represents the main Italian manufacturers. A non-profit association, its main aim is to promote and develop the quality gelato market, both in Italy and abroad.

The companies associated to ACOMAG always operate in full compliance with commercially correct standards of practice, which include:

- operating in a way that ensure fair competition
- truthful commercial and advertising documentation
- clear and

trasparent sales  
conditions

- an  
efficiently  
organised pre  
and after sale  
technical  
support service

- prompt  
response to the  
agreed warranty  
conditions

The products  
designed,  
developed and  
manufactured  
by Italian  
companies  
associated to  
ACOMAG  
represent the  
state of the art  
in the industry  
and comply with  
international  
directives in  
terms of:

- approval

- clarity of  
instructions

- safety in  
the work place

- people's  
hygiene and  
health

- use of  
recyclable  
components

-  
safeguarding  
the environment

All the  
machines,  
display  
cabinets, shop  
fittings and  
equipment are  
manufactured in  
compliance with  
the applicable  
standards,  
allowing our  
customers to  
safely prepare,  
conserve and  
serve sweet  
specialities to  
the joy of  
customers of all  
ages.
