ACIMGA is the association of Italian manufacturers of machinery for the graphic, paper and converting industry. Established in 1947, it plays a key role within the industry, both in Italy and internationally representing the production "Made by Italy". ACIMGA also organizes Print4All, the triennial international exhibition for printing and converting markets-with the next Print4All edition May 27 -30, 2025 in Milan. The Italian sector industry closed 2022 with positive revenues (+7,3%) over the previous year, closing at €2,945 million. Just as in 2021, exports led the growth with +8.4% and a value of €1,750 million.
